# SENIOR CLASS HISTORY

We, the class of Nineteen Hundred and Sixty-Seven, have come to the end of a long journey. Some of us have reached our long waited-for goal, while others of us are reaching for a higher star in the educational field. We hope that each and every one of us will never forget our many wonderful experiences during our quest for success.

We started our Freshman year with seventeen members. In the late fall we lost Lorraine Buck and William Myshrall. We were represented in basketball by Perry and Billy and Ruth. Cheerleaders were Vickie and Katy. For Skiing there were Roger and Ken J. Track representatives were Ken J., Roger M., Perry and Howard. Baseball representatives were Perry, Billy, Roger, Ken J., and Ken J. Softball participants were Ruth, Brenda, Katy, Vickie, and Sharon. We also participated in drama and glee club.

In mid-winter of our Sophomore year we lost Brenda Hiltz leaving our class with fifteen members. In sports, Roger, Ken J., and Frankie were on the cross-country team. In basketball, there were Ruth, Sharon, Perry, Billy, Roger, Ken J., Ken M., and Howard. We were represented in glee club and drama club. Vickie and Katy were also in cheering. Softball and baseball, a large part of our class took part in. Becky Farrington was the Queen Candidate from our class.

In our Junior year, we gained Barbara Sylvester. We were represented in all the sports by the usual crowd. This year Ruthie was our Carnival Queen candidate. Three members of our class were initiated to the State representative was Katy, and Vickie was her alternate. Boys' State was Roger and his alternate was Howard.

In our Senior year, our class members participated in many sports and extra-curricular. We are proud to announce that Vickie was chosen our D.A.R. Candidate.

We wish the best of luck to the next year Seniors and the Underclassmen of Andover High School. Our memories will never be forgotten that were gathered in the "Sacred Halls of Ivy."

CLASS MOTTO: "And we shall go forth with strong minds, great hearts, true faith and ready hands."

IN CONGRESS, July 4, 1776.

Declaratory Resolution of the United States of America

When in the course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

Basketball at Andover is by no means "the" sport of the school. Although we had a losing season, we had a good team with plenty of spirit. We played hard and, even though not winning more games, had some good experiences. We always look to next year hoping for a better season.

## *Girls' State*

My experience at Girls' State was one which I shall always remember. I learned to get along with girls I had never seen or met before and how to cope with typical governmental problems. We conducted town meetings, county elections, and state elections.

My only regret is that every girl can not have such an experience both socially and in government affairs.

Lastly, I wish to extend my appreciation to all the people who made this possible.

Katy Feener

## *Boys' State*

Boys' State is an experience shared by only a small portion of Maine boys each year. This is perhaps what makes it such a unique experience. Although the program at Boys' State is only a week long, a person leaves with a better understanding of our government, both local and state.

At Boys' State we were urged to take part in the activities that were scheduled. We had our own town meetings, had our party caucus and convention, and elected officers of our state. So we really experienced a firm example of what to look for in the future. The programs they had set up for us made a person start thinking; not just about governmental work, but the role every person must fulfill in the future.

I wish to thank my sponsor, The American Legion, for the opportunity they afforded me in going to Boys' State.
